Hello,

Thank you for your email.

The information is all correct and confirmed for 4 people at 99 euros each with the tour starting with picking up at 10am on the 19th.

As your date approaches I will be in contact and reconfirm again all details.

You mentioned souvenirs and food, that would be separately paid, however, Ellie would be able to help you with these things if you are interested.

Thank you and kindest regards,

Hello Grace,

I am trying to confirm everything before I leave on my trip.

I have changed my hotel. I will now be staying at Alexandra Barcelona, a DoubleTree by Hilton Hotel, Calle Mallorca, 251, Barcelona Spain 08008. Our friends are still staying at Hotel Barcelona Catedral, Capellans, 4 Ciutat Vella, 08002 Barcelona.

It is my understanding that you will pick us up from each of our hotels beginning at 10am.

The price of the tour is 99 euros each person

You will get our tickets for: Parc Guell (8 euros each) and La Sagrada Familia (15 euros each) including going up in one of the towers on an elevator (both ways).

I have paid a 50 euros deposit to you. The remainder of the funds will be paid to Ellie at the end of the tour.

I wanted to make sure that I have everything correct and also to notify you of our hotel change.

Is there anything else that we will need to pay for on the tour (other than food or souvenirs)?

Thank you. We are looking forward to our tour.

Hello,

Thank you for your 50 euro deposit. Your Private City Tour is fully confirmed for April 19th for 4 people.

Being that it is a Saturday and the city is quiet generally in the morning hours, I would suggest a 10am starting time if that suits you. Please let me know what you would prefer.

3 of our group are seniors. Are you buying tickets to go in the tower with the elevator both ways also?

Can you pick each one of us up at our hotels? My husband and i are staying at the Hilton Diagonal Mar Barcelona and the other couple is staying at Hotel Barcelona Cathedral.

Would a start time of 9:00 get us into the places before the big crowds?

Hello,

Thank you for your email.

I have made your reservation for April 19th for a 4 hour Private City Tour with Ellie as your guide. Kindly pay her the day of your tour for the entrance tickets to the Sagrada Familia (aprox 15 euros each) and Park Guell (8 euros each).

Please let me know if there's any discounts I should know of, such as senior citizen or student discounts, for purchasing your entrance tickets.

Please confirm the time you would like to start your tour and the pick up point you would prefer.

To fully reserve your tour, we kindly ask for a 50 euro deposit to be paid on our PayPal account at [www.holabaronatours.com](http://www.holabaronatours.com) (please go to "make a payment") and to pay the remaining balance in cash to your guide the day of your tour.

Your deposit is fully refundable should you need to cancel 48 hours or more in advance and you don't need to join PayPal to make the deposit.

Please let me know when you've made the deposit and I will confirm receiving it, thank you.

Hello Grace,

Thank you for your reply.

We would like to book this tour with your company and use Ellie as our guide. Is it possible to have a brief overview of Barcelona so my husband can see it and then finish up with entry into Parc Guell and Sagrada Familia with a visit to one of the towers that we can use an elevator both ways. There are 4 of us in our group.

My husband and I will be staying at Hilton Diagonal Mar Barcelona and the other couple are staying at Hotel Barcelona Cathedral.

Can you obtain entrance tickets for us and we pay you back?

Please advise on our next step.

Hello,

Thank you for your email. Ellie would be able to go with you inside the Casa Batllo and Casa Mila, however, you would need extra tour time. Usually our clients go into casa Batllo on their own with the audio guide and Casa Mila is not as popular in the inside to visit. However, since it is a Private Tour, you are free to choose your tour agenda, but seeing all the major sites and going into all the Gaudi buildings would require more tour time. I hope I haven't confused you!

We probably won't do the tapas tour as part of this. I had misunderstood the other couple and they were not interested in this part. We are still trying to work out what all we want to see. I should have an answer for you on what we want to do by Monday.

Once we make a decision, is it possible for you to purchase our tickets for us or will we need to do that ourselves separately? I do understand that the cost of admissions is not included in the tour price.

Thank you for your patience.

Dear Mary,

Thank you for your email.

We would be pleased to provide you with a Private Tapas Tour.

Your **Private Tapas Tour** will include:

- Pick up at your hotel by your fluent English speaking guide (or where you prefer)
- You'll go to 3-4 different types of tapas bars in the Gothic area
- Your guide will give you a tour of the Gothic sites you'll be seeing as you go from bar to bar

The total price for 4 people is 29 euros each. This doesn't include the tapas/drinks that you should decide to have and your guide will pay for his or her own tapas/drinks as well.

Please let me know if you'd be interested in reserving this service.

Or, we could easily combine the Tapas Tour with your City Tour, however, you would either need extra tour time, or combine the Tapas Tour with the City Tour and not see everything you normally would on the City Tour.

Please let me know what you would prefer.

The Gaudi site entrances are not included. Park Guell not requires and admission fee of 8 euros each. You could either see the Sagrada Familia from the outside walking around with your guide for an exterior tour or go inside for aprox 15 euros each. Usually the outside is sufficient, however, we would be happy to arrange for going inside as well.

Ellie still works for us and would be available to be your guide.

We toured with your company in 2011 and had Ellie for our guide and she was so good. Does she still work for you?

Hola,

Thank you for your email and interest in Hola! Barcelona Tours.

We are pleased to be able to provide your guests with our Private City Tour.

I've included 3 options, *with vehicle and without*.

For your **Private Barcelona City Tour**, you have three options to choose from for this tour:

Please note that all tours (including option 3) are *Private Tours without other travelers* and *pickup time is flexible* according to your needs.

1. **A 4 hour Private City Tour**, which will include:

- Airport, port or hotel pickup and drop-off at hotel, port, airport or city center.
- A luxury, new, private Mercedes minivan with air-con and bottled water provided
- An English speaking driver/guide
- A complete tour of Barcelona, including all of the major sites such as Gaudi's Sagrada Familia, Park Guell, Casa Batlló, la Pedrera (Casa Mila), las Ramblas, the Columbus monument, the Olympic Ring and Stadium, Montjuic, the National Palace, Plaza Espanya, Plaza Catalunya, Paseo de Gracia, Ramblas, the Olympic port and village, the port area, the beach (and much more!) as noted on our website [www.holabaronatours.com](http://www.holabaronatours.com)
- Free time to buy souvenirs, get out and take pictures at the sites and explore at a comfortable pace
- Any adjustments and changes to the suggested tour agenda, as it is a Private City Tour for just you!

The total price including all taxes is 74 euros each for 4 people.

2. **The same Private City Tour as in number 1, except:**

- With a separate fluent English speaking licensed official guide with you, a separate driver and a Mercedes mini-van.

The price for this option would be 99 euros each for 3 people.

3. **The same Private City Tour as in number 1, except:**

- Instead of using a private Mercedes minivan, you will tour with your guide using taxis (one ride) and metro.
- Your guide will meet you at your hotel to start your tour.
- Your tour will include an approx 2 hour **Walking Tour of the Gothic area** (the Cathedral, Roman walls, Roman ruins, the Jewish District, Ramblas etc.).
- You will spend time approx 2 hours touring the **Gaudi sites** as you would on a City Tour (Sagrada Familia, Casa Batlló, Casa Mila - La Pedrera- Parc Guell, Passeig de Gracia)

This option does not include port/airport pickup or drop off.

The price would be 39 euros each for 4 people - plus approx 10-20 euros total (not per person) in metro/taxi fare.

We also recommend the **Flamenco Show and Dinner** (the best Flamenco in Barcelona and excellent food!) as seen on our [website www.holabaronatours.com](http://www.holabaronatours.com). (the cost is per person per menu and the show is included).

If you'd like to reserve these services, please let me know and if you have any questions, please don't hesitate to contact me.

You are absolutely right Mary, people can enter the main hall of the Casino without paying. You can also enter a little hall where you can play at some slot machines without having to pay an entrance fee. Unless you don't want to gamble at the legendary gaming tables, this will be sufficient to get an idea of the beauty of the building.

Please feel free to get back to me with any other question you might have

See you soon

Thank you Ingrid. This all sounds good. We are really looking forward to our tour.

I just have one question. When we were in Monte Carlo in 2008 it seems that there was part of the casino we could go in with no charge. Is this still available? It may have even been a different casino but can't remember.

Thanks.

Mary

Hello Mary,

I imagine that you are getting very excited about your upcoming cruise. 3 more weeks and you will already be here on the French Riviera. Everything is confirmed from my side. I will be in the port of Monaco on April 22nd at 8:30am and you will find me right outside the disembarkation area with a sign that shows your name. Your ship will be docking at the pier and when you exit the ship, you keep to the right and you will already see me behind the gate next to my black van, probably with other vans that will be waiting there.

I will be happy to taking you to the places you mention. We will start with a visit to Antibes where takes place every morning a beautiful market, from there we will go to Biot and then to Haut de Cagnes. I am sure that on the way back there will still be time for you to go Inside the Casino. It will not be necessary to be dressed up for this occasion, smart casual is sufficient, but you will need a passport and 10 Euros entrance fee.

I look forward to meeting you soon and to showing you our beautiful French Riviera

Until then take good care

Cheers

Ingrid

Hi Ingrid,

It is getting close to time for our tour with you so I wanted to confirm everything.

We will be arriving on the Nieuw Amsterdam on April 22, 2014 in Monte Carlo. I understand that you will meet us at 8:30 am. Exactly where do we need to look for you?

Earlier you had given me several recommendations for our tour. I think we have decided to do the one where we spend little time in the car: Antibes, Biot and Haut-de-Cagnes. We also would like to have time to go into the casino in Monte Carlo.

Hello Mary,  
there is no hurry, please take your time to get back to me.  
Of course, there is no problem to take you to the very center of each place in order to avoid walking up steep hills. That is in fact the advantage of taking a private tour.  
I am looking forward to hearing back from You and send you kind regards  
Ingrid

These all sound very interesting. I am trying to get in touch with the other 2 people in our group to see if they want to book but they are out of town right now and it is hard to get in contact with them.

When we were in Monte Carlo before and took a private tour, our guide was able to drive us close to the villages so we didn't have to walk up the steep hills. Would you be able to do that as well?

Thanks.

Hello Mary

thank you for getting back to me. Of course, there are many other places to take you to. On the eastern side, we could do a tour that includes Menton, a beautiful town on the coast and St Agnes and Peille in the back-country and on the way back, a drive along the coastal roads and maybe a stop in Villefranche. On the western side, we could do Antibes, Gourdon and Tourrettes-sur-Loup, or if you would like to not spend too much time in the car, Antibes, Biot and Haut-de-Cagnes. These are all beautiful authentic villages of our area.....a little bit off the beaten track.

Let me know what you think about this Mary. I am looking forward to hearing back from you  
Best regards  
Ingrid

Thank you for your response. We were in Monte Carlo in the Spring 2011 and had a private tour. On that tour we went to Eze, Nice and I believe St Paul. Are there other places you could take us to?

Good evening from France Mary,  
thank you very much for your kind request for a private tour with me in April 2014. I am happy to let you know that I am still available on April 22nd from the port of Monaco, but unfortunately, I am not operating from the port of Marseille. It is too far away from Nice, where I live (120 miles).

For a full-day tour starting from the Port of Monaco, I would make the following suggestion:

After a short panoramic drive through the Principality, partly on the famous race-track of the Formula I and passing by the Casino square, we take the upper coastal road from where you will enjoy breathtaking views on the Principality and the Riviera, we will then continue on the middle coastal road to the wonderful hill-village of Eze. I always prefer to start the day there when not too many tourists have arrived yet. You will certainly enjoy the walk through the steep and charming alleys of this extraordinary place.

After the visit of Eze, we will continue on the middle coastal road towards the city of Nice. There we will visit the Old town, which is the heart and soul of the entire city, you will see the colorful flower and specialty market and the picturesque narrow streets.

From Nice, we will drive to St Paul. St Paul is one of the most beautiful villages in France. It is a center of art and artists, the village is not only gorgeous but also interesting for its wonderful handcraft.

On our way back from St Paul, we will take the marvelous coastal roads that lead into the Principality and do some breathtaking photo-stops.

For such a tour of approx. 8 hours my rate for 2-4 people is 500 EUR. If ever you should find more people to share the tour with you, the rate for 5-7 passengers would be 550EUR. These rates include my driving and guiding services plus all parking and toll fees. As a licensed guide, I am not only driving you around and dropping you off, but will come with you in order to show and explain you all places.

I am very flexible Mary, it will be Your special day on the Riviera and it will be You to decide what you would like to see and do, we can even make last minute changes

For a private tour from the port of Marseille, please contact my very good colleague Catherine d'Antuono at [tour.designer@provence-travel.com](mailto:tour.designer@provence-travel.com)

Please don't hesitate to contact me for any other question. I would be very happy to hearing back from you and send you sunny greetings from Nice

villages stop at traditional wine destilery to taste free wine and bread with local olive oil and oregano then visit the coast of Paleokastritsa to see the Monastery of Paleokastritsa <Vigrin Mary> and then stop at the same area for a short time at the beach ( It would be interesting to visit the sea caves by boat trip ) Then visit Kanoni area to see the mouse island and then visit Corfu old city.

We can stop also for a quick meal at tradicional Greek Taverna if you want or to visit Achilleion Palace (Sissy Palace)

. The price is 40€ per hour including all the taxes for all of you.

## Riviera Highlights

Romantic charm, homemade cuisine and exquisite scenery make your visit to the Croatian Riviera very memorable. Enjoy in a pleasant drive along the Župa Dubrovačka Riviera to town of Cavtat. The drive leads you through the picturesque villages of the green and fertile Konavle Valley, and you're headed to the famous Konavoski Dvori restaurant. It is perfectly situated in an old mill next to the cascading waters of the Ljuta River. Here, your gracious host will offer you light **snack** consisting of local specialties such as smoked ham, cheese, homemade bread and a glass of local wine. Next, enjoy a pleasant ride before you reach the seaside resort town of Cavtat—the ancient Roman city of Epidaurus. Over the years, Cavtat has been a favorite destination for sailors and yacht enthusiasts. In fact, former-King Edward and Wallace Simpson came here for their honeymoon. Take a pleasant stroll along the beautiful seafront promenade or relax over a coffee (at your own expense) in one of many cafés along the coast. Returning to Dubrovnik, you'll head to Pile Square at the western entrance of the Old Town. George Bernard Shaw once wrote, "Those who seek paradise on earth should come to Dubrovnik." Today, he might add that Dubrovnik is the place for all those who wish to renew their faith in human nature. You'll find yourself at the beginning of the famous main street—the Stradun. Explore **Old Town of Dubrovnik**—a true Mediterranean beauty—with your experienced guide before returning to the ship.

As well as fast-growing industrial economy and a lively cultural activity, Bassano has a fine gastronomic tradition. Its typical products are the asparagus and grappa.

The 15th century Loggia del Comune is also lovely. The pearl of Bassano is, however, its wooden bridge, designed by Palladio in this material as its flexibility would resist the raging Brenta river. It was damaged both by the river and by bombings, but it was always restored following the ideas of Palladio. The last restoration was in the second postwar period and it was due to the Alpine troops.

Its great location and wonderful climate made Asolo a population centre right from prehistoric times and later a principal settlement for the Veneto people. It has been the beloved retreat for the poet Robert Browning and explorer Freya Stark.

>>>>>> We will be arriving in Venice on Holland America Nieuw Amsterdam on May 1. Our ship is scheduled to arrive around 1:00 pm where we will overnight and then disembark the next morning. We are interested in a tour on May 1 and another tour on May 2. I have been told to go to Murano and Burano and wondered if this was something we could do on May 1. On May 2 maybe a Venice Countryside tour. There are 4 of us and we are interested in a private tour. Are you available those days and what would your fees be? Thank you.
